Hannah Seratte

INDUSTRIAL DESIGNER

ABOUT

As a 3rd year Industrial Design student, I pursue **thoughtful**, creative solutions to **real – world** issues using practical, **human – centered** design. I am interested in innovative projects that involve hands – on design work and collaborating with a team, since I love to learn from and be inspired by others.

EDUCATION

Industrial Design, BSD

Arizona State University, *Fall 2022 – Spring 2026*
