{software skillset}

{about}

As a designer, I thrive in energetic environments where I can learn from others and dive into hands-on projects. Right now, I'm looking for a position where I can put my skillset to use — designing thoughtful, creative solutions to real-world issues and collaborating with a team that's as enthusiastic as I am about making an impact.

{education}

Arizona State University, FALL 2022 — SPRING 2026
Barrett, the Honors College
 cumulative GPA: 4.10

Industrial Design, BSD
